§ 85-70.1-315 Cost Per Gallon Rates

(a) “Operation, maintenance, and replacement costs will be borne by the water users and the Division of Plant Industry.” (Kagman Watershed Plan Environmental Impact Statement, page 84). The DLNR-S&NISWCD shall charge each water user a water rate of \$10.00 per month. Each water user shall pay the \$10.00 monthly water rate on the first day of each month, to the Commonwealth Treasurer, as provided in section 85-70.1-301. A water user who is connected to one Kagman Commercial Farm Plot Farm Turnout shall be billed and must pay \$10.00 a month for that Farm Turnout. A water user who is connected to more than one Kagman Commercial Farm Plot Farm Turnout shall be billed for each Farm Turnout and must pay the monthly water rate of \$10.00 for each Farm Turnout.

(b) The Secretary of Lands and Natural Resources, after consultation with the Saipan and Northern Islands Soil and Water Conservation District, may increase the monthly water rate of \$10.00 and may set a rate per gallon that will generate sufficient revenue necessary for DLNR-S&NISWCD to cover the regular maintenance costs of the irrigation system. Such maintenance cost shall include, but not necessarily be limited to, repair, replacement of parts, pumps, water meters, water conduits, procurement of repair supplies, weed control around the irrigation turnouts and waterlines, etc.

(c) The DLNR-S&NISWCD must endeavor to increase the water rate and per gallon rate when sufficient supply of irrigation water is available or when water meters have been installed on all plots at the Kagman Commercial Farm Plots, whichever occurs first. It shall be the policy of DLNR-S&NISWCD to charge a water user on a per gallon used so as to promote and encourage users of the Kagman Watershed Project irrigation system to conserve water. A per gallon used shall be billed based on the metered quantity of water a water user uses. Increase of a new water rate and per gallon rate shall only be effective after DLNR-S&NISWCD has amended this section by promulgation in the Commonwealth Register.
