

TITLE 1: GOVERNMENT
DIVISION 8: PUBLIC EMPLOYMENT

§ 8276. Family Sick Leave [Repealed].

Source: PL 15-69, §§ 1 and 2; repealed by PL 15-116, § 2.

Commission Comment: See 1 CMC §§ 8265-67 for new family sick leave provisions. Public Law 15-57 was enacted on June 5, 2007 by override and contained severability and savings clauses but not findings or purpose provisions. Public Law 15-116 was enacted on November 29, 2007, and contained the following findings and purpose in addition to other enactments (see 1 CMC §§ 8265 et seq. and resulting renumbering of articles 2 and 3 of Chapter 5, Division 8, herein) and severability and savings provisions:

Section 1. Findings and Purpose. The Commonwealth Legislature finds that government employees should be permitted to use their earned sick leave to attend to immediate family members who are sick.
