

TITLE 10: LOCAL LAWS
DIVISION 2: SECOND SENATORIAL DISTRICT (TINIAN, ETC.)

§ 2589. Training Courses for Employees.

(a) A casino operator shall provide, for persons employed or to be employed by him in a casino as casino key employees or casino employees, training courses relating to the playing of games, the conduct of games and associated activities in connection with casino operations.

(b) All training courses to be provided pursuant to subsection (a) of this section shall be:

(1) Conducted by the casino operator or, with the approval of the commission, by the nominee of the casino operator; and

(2) Of such content, format and duration as is approved by the commission.

(c) The successful completion of an approved training course is a prerequisite for:

(1) The issue of a casino key employee license or a casino employee license; or

(2) The approval of the commission to making of an amendment (and such amendment being made) in a license in respect of the type of work performed or to be performed by the licensee and for the employment of the licensee in the type of work specified in the license, either in the first instance or pursuant to amendment, unless the licensee is qualified by experience, satisfactory to the commission, appropriate to the type of work to be performed by him as a licensee.

(d) A casino operator may conduct gaming on a simulated basis for the purpose of training employees, testing gaming equipment and gaming procedures and demonstrating the conduct and playing of games, provided that:

(1) He has obtained the prior approval of the commission; and

(2) No cash is used and no chips are used.
