**DIVISION 2: SECOND SENATORIAL DISTRICT (TINIAN, ETC.)**

**§ 2592. Review of Submission.**

(a) The executive director shall review each submission received by him pursuant to 10 CMC § 2590 and, subject to subsection (b) of this section, advise the commission:

(1) Whether it is in conformity with the requirements of this chapter; and

(2) In a case referred to in 10 CMC § 2590(a)(1), whether the system of controls and procedures provides satisfactory and effective control over the operations of the casino; or

(3) In a case referred to in 10 CMC § 2590(a)(2), whether the system of controls and procedures as previously approved as altered in accordance with the changes proposed provides satisfactory and effective control over the operations of the casino.

(b) If the executive director considers that:

(1) The submission is not in conformity with the requirements of this chapter; or

(2) The system of controls and procedures does not provide satisfactory and effective control over the operations of the casino, either as a system in the first instance or as a system as changed in accordance with the proposed alterations,

he shall, before advising the commission, inform the casino accordingly and specify the steps to be taken for the submission to be in conformity with the requirements of this chapter or for the system (in the first instance or as changed) to provide satisfactory and effective control over the operations of the casino. The casino operator, in order for his submission to proceed, shall take the steps to be taken as specified by the executive director.

(c) Where the executive director advises the commission that the submission is in conformity with the requirements of this chapter and that the system of controls and procedures provides satisfactory and effective control over the operations of the casino, either in the first instance or as changed in accordance with proposed alteration, the commission shall approve the system or proposed changes, as the case may be, accordingly.

(d) The commission may by notice in writing require a casino operator to alter any part of the system of controls and procedures on and from a date specified in the notice. The notice shall stipulate the alteration to be made, and on and from the date so specified, the system as required to be altered shall be the system of controls and procedures in connection with the operation of the casino.

(e) A casino operator shall not:

(1) Conduct gaming in a casino unless the system of controls and procedures as aforesaid has been approved by the commission and implemented by the casino operator; or

(2) Change the system approved by the commission unless any changes proposed by him are first approved by the commission.
