

TITLE 2: NATURAL RESOURCES
DIVISION 1: MARITIME AND COASTAL RESOURCES

§ 1632. Managaha Marine Conservation Area Established: Purpose.

(a) There is hereby established a marine conservation area called the “Managaha Marine Conservation Area,” consisting of the Isle of Managaha and its surrounding waters and more specifically designated by the following UTM coordinates: Isle of Managaha at (UTM Zone 55 361436.9197 and 1685135.4486) and its surrounding waters encompassed within the following four points: Point A, North (UTM Zone 55 361737.3046 and 1686445.4685); Point B, East (UTM Zone 55 363322.1267 and 16685023.8245); Point C, South (UTM Zone 55 361557.5867 and 1683844.8446); and, Point D, West UTM Zone 55 359411.5434 and 1684606.0028). (See Exhibit A-1 which is incorporated by reference hereto and made a part of this article). Within 120 days from the effective date of this article, but not later than the promulgation of rules and regulations hereunder, the Secretary shall establish by metes and bounds and physically mark those marine conservation area boundaries with permanent, easily identifiable marine marking devices that shall be maintained indefinitely by the department as provided for by regulations.

(b) The purpose of the Managaha Marine Conservation Area is to protect and preserve, by strict regulatory enforcement, the land and water resources, flora, fauna, and marine life that are found in the conservation area for the enjoyment of future generations of Commonwealth residents and visitors.
