

TITLE 3: HUMAN RESOURCES
DIVISION 1: EDUCATION

§ 1177. Nonpublic Elementary and Secondary Education Fund: Reimbursement Procedures.

Requests for reimbursement in payment for the purchase of secular educational conditions hereunder shall be made on such forms and under such conditions as the Superintendent of Education shall prescribe. Any nonpublic school seeking such reimbursement shall maintain such accounting procedures, including maintenance of separate funds and account pertaining to the cost of secular educational services, as to establish that it actually expended in support of such service an amount of money equal to the amount of money sought in reimbursement.
