

TITLE 3: HUMAN RESOURCES
DIVISION 1: EDUCATION

§ 1506. Administrative Librarian: Duties and Qualifications.

(a) The administrative librarian shall advise the Library Council and shall be responsible for implementing the recommendations and policy set by the council. The administrative librarian may hire and supervise such staff as may be necessary to assist in carrying out the administrative librarian duties. In addition, the administrative librarian shall be responsible for the completion of required reports and shall oversee interlibrary cooperative agreements.

(b) The administrative librarian shall hold a masters in library science or equivalent degree from a professionally accredited institution of higher learning and have had a minimum of five years experience as a professional librarian.
