

TITLE 3: HUMAN RESOURCES
DIVISION 2: HEALTH

§ 2211. License to Practice Requirement.

Except as otherwise explicitly provided by law, no person whose profession is regulated by this chapter may do the following without having a valid license issued by the Board:

- (a) Practice or offer to practice a health care profession regulated by the Board, either gratuitously or for pay; or
- (b) Advertise or announce, either publicly or privately, that the person is prepared or qualified to practice, which implies that the person is a practitioner of a health care profession regulated by the Board.
