

TITLE 3: HUMAN RESOURCES
DIVISION 2: HEALTH

§ 2214. Limited Practice for Physicians Licensed to Practice in a Foreign Country.

(a) Notwithstanding any other provision of this chapter, a physician licensed to practice in a foreign country other than Canada may be granted a license to practice subject to the requirements and conditions provided in regulations of the Board which have been approved as to form and substance by the Attorney General.

(b) The Board shall provide by regulation for the practice of a regulated physician in the Commonwealth by a professional licensed to practice in a foreign country with acceptable education, training, examination results and experience comparable to that of a person who is otherwise qualified for licensure under this chapter. Such regulations shall address with specificity:

- (1) Professional degree requirements;
 - (2) Postgraduate training and continuing medical education requirements;
 - (3) Required examinations and certifications;
 - (4) Requirements for active and valid licenses;
 - (5) Disciplinary history;
 - (6) Required professional relationship with a Commonwealth-licensed physician;
 - (7) Scope of limited practice in the Commonwealth;
 - (8) Limitations on the ability to prescribe controlled substances;
 - (9) Insurance and/or other financial requirements;
 - (10) Requirements for character and personal conduct;
 - (11) Language requirements specific to the practice and population served;
- and
- (12) Such other requirements the Board considers necessary, appropriate or useful for the effective implementation of this chapter and/or necessary for the protection of those who utilize the professional medical services of those granted a limited license pursuant to this section.
