

TITLE 3: HUMAN RESOURCES
DIVISION 2: HEALTH

§ 2243. Exemptions.

Nothing in this article shall:

(a) Prohibit the Board from disapproving any foreign medical school or post-graduate training program or from denying an application if, in the opinion of the Board, the professional instruction provided by the medical school or the post-graduate training program or the instruction received by the applicant is not equivalent to that required of U.S. trained physicians.

(b) Prohibit the Board from suspending, revoking, placing on probation or conditioning the license, on any grounds which by law or regulations would be grounds to suspend, revoke, place on probation or condition the license to practice medicine in the CNMI, or for such periods of time when the foreign-licensed physician is not under the supervision of a CNMI licensed health care professional.

(c) Prohibit the Board from revoking a previously issued license if the licensee has not entered the CNMI and begun work in private practice or for the CNMI Department of Public Health within ninety days from the date of licensure.
