

TITLE 3: HUMAN RESOURCES
DIVISION 2: HEALTH

§ 2438. Expenditure and Fiscal Authority.

The Council or its designee shall be the expenditure authority over funds appropriated for the Commonwealth Respite Care Program. In addition to any other forms of assistance provided under this Act, the Council or its designee is authorized to set up a voucher program for the sole purpose of acquiring respite care services for eligible recipients. Administration of the respite voucher program, including, but not limited to, establishing financial eligibility criteria and limits of vouchers, shall be established by rules as prescribed by the Council or its designee in conjunction with the Secretary of Finance. The Council or its designee will act as fiscal intermediary for any or all funds made available for respite services through a voucher program.
