

TITLE 3: HUMAN RESOURCES
DIVISION 2: HEALTH

§ 2805. Rules of Construction.

The following rules of statutory construction shall, where applicable, govern the interpretation of this chapter:

- (a) "Include," "includes" or "including" means "including but not limited to;"
- (b) The male, female and neuter/neutral shall each be read to mean the other, unless the context expressly excludes such interpretation; and
- (c) Except where the context specifically indicates otherwise, the singular shall be read to mean the plural, and vice versa.
