**Commission Comment:** PL 11-102 took effect on September 28, 1999. PL 11-102 contained short title, findings and purpose, severability, savings clause, and article X, section 3 certification clauses as follows:

Section 1. Short Title. This Act may be cited as the Capital Improvements Projects Bond Authorization Act of 1999.

Section 2. Findings and Purpose. In January 1998, the Governor's Multi-Agency 702 CIP Task Force completed the Covenant Section 702 CIP Plan (hereinafter "CIP Plan"). The CIP Plan identified projects to be built with the funds from the 1996 "Agreement of the Special Representatives on Future Federal Financial Assistance of the Commonwealth of the Northern Mariana Islands" (hereinafter "Third Special Representatives Agreement"). This agreement covers the FY 1996 - FY 2002 period. The total amount of Covenant Section 702 CIP funds provided under the FY 1996 - FY 2002 Covenant Section 702 Program is \$154 million. Under the Third Special Representatives Agreement, half of the total amount compromises federal funding and the other half - \$77 million - must come from CNMI local funds.

The current condition of the Commonwealth economy has resulted in reduced government revenues and the CNMI Government does not currently possess sufficient funds to match the Federal Covenant Section 702 Grant portion without resorting to debt financing. In addition, funds are needed to finance other capital improvement projects not included in the Covenant Section 702 Plan.

Section 4. Severability. If any provision of this Act or the application of any such provision to any person or circumstance should be held invalid by a court of competent jurisdiction, the remainder of this Act or the application of its provisions to persons or circumstances other than those to which it is held invalid shall not be affected thereby.

Repealers contained in this Act shall not affect any proceeding instituted under or pursuant to prior law. The enactment of this Act shall not have the effect of terminating, or in any way modifying, any liability, civil or criminal, which shall already be in existence on the date this Act becomes effective.

Section 6. Article X, Section 3 Certification. Upon passage of this bill by both houses of the Legislature, by a vote of at least two-thirds of the members in each house, the Speaker of the House of Representatives and the President of the Senate shall certify and the House Clerk and the Senate Legislative Secretary shall attest to the passage of this bill by such two-thirds vote, in accordance with Article X, Section 3 of the Commonwealth Constitution. Such certification and attestation shall form a part of the engrossed bill for transmission to the Governor, and shall serve as affirmation of the full faith and credit of the Commonwealth Government with respect to this bond issuance.
