

TITLE 4: ECONOMIC RESOURCES
DIVISION 2: TOURISM

§ 2316. Rules and Regulations.

(a) The Commission shall promulgate rules and regulations to carry out the purposes of this chapter, including but not limited to, gaming promotional activities and licensing carried out by independent third parties (agents), granting of gaming credit, prohibited gambling, anti-money laundering, compliance and internal controls, and control of the financial suitability of gaming operators. The Commission may, in addition to any other purpose, use such rules and regulations to interpret, enlarge upon, or define any provision of this title. Such rules and regulations shall take into consideration the need for companies generally to be able to participate in the gaming industry in the Commonwealth without jeopardizing their ability to maintain or receive gaming licenses from other United States or foreign jurisdictions.

(b) In addition to rules and regulations provided for in other provisions of this chapter, the rules and regulations shall provide for the following:

(1) Means to exclude from the gaming areas of a casino individuals under 21 years of age, except such lawful employees of the casino or of a resort complex or other facility of which the casino forms a part as the Commission determines by regulation may be present in such areas; and

(2) Provisions for the casinos to attempt to identify and refuse service to gambling addicts and problem gamblers as they may be defined by the Commission.
