

TITLE 8: FAMILY LAW AND PROBATE
DIVISION 1: DOMESTICS RELATIONS

§ 19213. Notice from Licensing Body.

A licensing body shall notify a non-custodial parent certified by the Office to be in non-compliance at least ten (10) days prior to denial or suspension, that the non-custodial parent's application for issuance or renewal of a license will not be granted or that the non-custodial parent's license has been suspended because the non-custodial parent's name has been certified by the Office as being in non-compliance with a court order of support. A notice of suspension must specify the effective date of the suspension, and that the suspension will continue in effect, or the license will not be issued or renewed until the non-custodial parent provides the licensing body with the Office's written confirmation that the non-custodial parent is in compliance with the court order of support.
