Commission Comment: PL 15-25 was enacted on August 25, 2006, and did not include any findings or intent provisions but did contain a title section ("The Mandatory Driver Education Act of 2006") and other amendments, in addition to severability and savings clauses. Pursuant to the authority granted by [1 CMC § 3806](#), the Commission corrected a manifest error in (e)(1) [changed "a" to "an" before the word "operator's"] and did not follow the lettering scheme in the original text of [PL 15-25](#), § 4(b).
