

TITLE 9: VEHICLE CODE
DIVISION 2: REGISTRATION AND LICENSES

§ 2412. Program Certification.

(a) All public, private or parochial college, university, or high school, or business enterprise seeking certification shall submit application, with payment of fees to the Department of Public Safety for review and approval.

(1) The application shall include all required documentation in accordance with this Article.

(2) All programs require both classroom and laboratory instruction for approval.

(b) The Commissioner shall approve all programs which have met the requirements of this Article, unless good cause exists for denial of approval.

(1) The Commissioner shall notify the applicant of any missing documentation or requirement within ten days of receipt.

(2) The Commissioner shall communicate his decision within ten days of receipt of a completed application.

(3) If the application is denied the Commissioner shall include a communication of the basis for denial of the application and requirements for approval.

(c) Any applicant who may have been denied certification may reapply upon completion of the requirements.

(d) The Commissioner shall issue certificates to approved institutions or business entities, confirming the program as being certified and in accordance with the provisions of this Article.

(e) Certificates of completion issued by certified programs to students, in accordance with the provisions of this Article, shall serve as evidence of satisfaction of the requirement of mandatory driver education as required in 9 CMC § 2203(b), as amended by the Mandatory Driver Education Act of 2006.
