

**TITLE 9: VEHICLE CODE**  
**DIVISION 3: INSPECTION OF VEHICLES**

**§ 3105. Safety Inspections: Suspension of Registration for Noncompliance.**

The court may order the suspension of the registration of any motor vehicle upon determination that the vehicle does not have a valid certificate of safety inspection, does not display any required sticker or other identification with respect to inspection status, or has not been submitted for reinspection within one month after a notice of deficiency is given.
