AN ACT

To affirm the final jurisdiction of the Board of Elections to decide the validity of questionable ballots, to maintain the jurisdiction of each house of the Legislature to be the final judge of the election and qualifications of its members, to amend 1 CMC Article 2 to provide that the Board of Elections will no longer have jurisdiction to hear elections contests, to repeal Sections 6425, 6427(e), 6430, 6431 and 6432, and for other purposes.

BE IT ENACTED BY THE FIFTH NORTHERN MARIANAS COMMONWEALTH LEGISLATURE:

1           Section 1. Findings. The Commonwealth Legislature finds that the  
2 delegation of review authority of election contests to the Commonwealth  
3 Courts was never intended to strip the Legislature of its final review  
4 authority pursuant to Article II, Section 14(a) of the Commonwealth  
5 Constitution. Furthermore, the Legislature finds that the Election Board  
6 should have the sole authority to judge the validity of questionable  
7 ballots. That Board has the ability to provide consistency in such  
8 decisions because it is aware of the precedents it has established in  
9 previous cases. However, the Legislature finds that election contests  
10 should be conducted in a court of law where the parties can avail  
11 themselves of the established procedures for the determination of  
12 questions of fact and law. Furthermore, the Constitution does not allow  
13 the Legislature to vest jurisdiction in any other agency or branch, other  
14 than the Court to determine the election and qualification of its members.

15           Section 2. Conforming Amendment. The first sentence of 1 CMC  
16 Section 6415(a) is amended to read as follows:

17                   "(a) If a ballot being counted appears improper, the  
18 final decision as to the validity of the ballot shall be  
19 made by the court. This decision shall be made by the  
20 court in accordance with the law.

---

1           Section 3. Conforming Amendment. 1 CMC Section 6421(b), (c) and  
2 (d) are amended to read as follows:

3           "(b) The candidate has given to an election official  
4 anything of value for the purpose of procuring his election;

5           (c) Illegal votes were cast. "Illegal votes" means  
6 any vote cast by a person who is not qualified to vote because  
7 of failure to meet age or residency requirements or has cast  
8 more than one ballot in the same election; or

9           (d) The Board in the conduct of election or arithmetical  
10 tabulation of votes made errors sufficient to change the  
11 final result of the election as to any person who has been  
12 declared elected."

13          Section 4. Conforming Amendment.

14          (a) 1 CMC Section 6423(a) is amended to read as follows:

15                 "When a voter contests any election, other than one for  
16 a seat to either house of the Legislature, he shall file with  
17 the Court a written complaint setting forth specifically:

18                         (1) The name of the contestant;

19                         (2) That he is a voter of the election district  
20 in which the contested election was held;

21                         (3) The name of the defendant;

22                         (4) The office sought;

23                         (5) The particular grounds for the contest; and

24                         (6) Any other information which the Court may  
25 require pursuant to Court Rules.

---

1           When the election being contested is for a seat in either  
2           house of the Legislature, the written complaint shall be filed  
3           with the appropriate house of the legislature on inauguration  
4           day or 30 days after the declaration of official results,  
5           whichever is later. Each presiding officer of each house will  
6           appoint a Credentials Committee of five members which shall  
7           include members for all political parties elected to that house  
8           of the Legislature. The elected chairman of this committee  
9           shall ensure that the parties are afforded a full opportunity  
10          to be heard and to be represented by counsel at the hearing.  
11          The decision of the Credentials Committee shall be submitted  
12          to the members of the respective house who shall adopt or  
13          reject that decision as the decision of the House or Senate by  
14          plurality vote of the members in that house."

15          Section 5. Conforming Amendment. 1 CMC Section 6424 is amended to  
16          delete the work "Board" and replace it with the word "Court" everywhere  
17          it appears in the Section.

18          Section 6. Conforming Amendment. 1 CMC Section 6426 is renumbered

21                 (a) The first sentence in Section 6426(a) is amended to  
22                 read as follows:

23                         "(a) At the hearing the ballots shall be recounted  
24                         in the presence of all parties, where it appears from the  
25                         statements filed that a recount is necessary for the proper

---

1           determination of the contest or where less than five  
2           votes separate the defendant and the next highest vote  
3           getter and a contestant so requests. Such a right to  
4           a recount, where less than five votes separates two  
5           candidates, shall also be available to a contestant in  
6           a legislative election contest; Provided, that the  
7           recount shall take place before the legislature."

8           (b) Section 6426(b) is amended to read as follows:

9                   "(b) If the statements of the cause of the contest  
10                  are insufficient, the Court may dismiss the proceedings  
11                  for lack of evidence or for want of prosecution."

12           (c) Section 6426(c) is amended to read as follows:

13                   "(c) The Court shall hear and determine all issues  
14                  arising in contested elections not involving seats to  
15                  the Legislature, except the validity of ballots based on  
16                  the manner in which they are marked. After hearing the  
17                  evidence and within three days after the submission  
18                  thereof, the Court shall issue its findings of fact and  
19                  conclusions of law, and immediately thereafter announce  
20                  judgment in the case, either confirming, or reversing  
21                  the result of the election. The judgment of the Trial  
22                  Court shall be final and unappealable."

23           Section 7. Conforming Amendment. 1 CMC Section 6427 is renumbered  
24           as 6426 and amended by deleting the word "Board" and replacing it with  
25           the word "Court" everywhere that it appears.

---

1           Section 8. Conforming Amendment. 1 CMC Section 6428 is renumbered  
2 as 6427 and subsection (b) is amended to read as follows:

3           "(b) If the Board has issued any certificate for the  
4 same office to another person than the one declared elected  
5 by the Court, such certificate shall become void by the  
6 judgement of the Court."

19 application of any such provision to any person or circumstance, shall be  
20 held invalid by a court of competent jurisdiction, the remainder of this  
21 Act, or the application of such provision to persons or circumstances  
22 other than those to which it is held invalid, shall not be affected  
23 thereby.

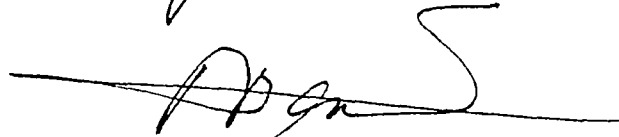

24          Section 14. Effective Date. This act shall take effect upon its
