COMMONWEALTH LEGISLATURE**

PUBLIC LAW NO. 10-3  
**SENATE BILL  
NO. 10-2**

**FIRST REGULAR SESSION**

AN ACT

To amend the Rota Agricultural Homestead Act; to ratify actions taken and agricultural permits issued in accordance with the terms of Public Law No. 7-11; to repeal and reenact 2 CMC §§ 4382 and 4383; and for other purposes.

**BE IT ENACTED BY THE TENTH NORTHERN MARIANAS  
COMMONWEALTH LEGISLATURE:**

Section 1. Short Title. This Act may be cited as the Rota Agricultural Homestead Corrections Act of 1996.

Section 2. Findings and Purpose. The Legislature finds that a number of permits for agricultural homestead were issued following approval of Public Law No. 7-11 by the Governor on October 24, 1990. The Legislature further finds that the final clause of Section 7 of P.L. No. 7-11, referring to effectivity “upon the availability of the homestead development funds identified in the series bonds issued by the Commonwealth Development Authority,” was apparently overlooked both by the government, Marianas Public Land Corporation, and the homesteaders. No other reference to “homestead development funds,” “series bonds,” or the Commonwealth Development Authority appears in Public Law No. 7-11. Nevertheless, this technical defect now jeopardizes the right and title of agricultural homesteaders on Rota to their homesteads. The Legislature further finds that any attempt to deprive Rota agricultural homesteaders of rights in their homesteads raises serious constitutional questions of taking of property without due process of law. The homesteaders received their permits in accordance with the substantive terms of the law and relied on the permits and the attendant

rights specified by the Act and other law. The purpose of this Act is to give full effect to the main intent of Public Law No. 7-11 and to avoid constitutional difficulties.

Section 3. Amendment. Notwithstanding the language at the end of Section 7 of Public Law No. 7-11 (“and shall take effect upon the availability of the homestead development funds identified in the series bonds issued by the Commonwealth Development Authority”), Public Law No. 7-11 shall be deemed to have taken effect October 24, 1990, and Section 7 of Public Law No. 7-11 is hereby amended accordingly.

Section 4. Ratification.

(a) All actions taken in conformance with the provisions of Sections 1 through 6 of Public Law No. 7-11 and related law, and all permits or other instruments issued, executed, or delivered in conformance therewith and otherwise in compliance with Commonwealth law are hereby ratified, and no challenge, defense, claim, remedy, cause of action, or other right, based on the unamended Section 7 of Public Law No. 7-11, shall lie against or arise from such action.

(b) Except as provided by this Act, Article 7 of Chapter 3 of Division 4 of Title 2 of the Commonwealth Code is hereby ratified and reenacted as positive law.

Section 5. Repeal and Reenactment.

(a) 2 CMC § 4382 is hereby repealed and reenacted to read:

“§ 4382. Designation of Homestead Areas. Such areas of public lands on the island of Rota as may be suitable for agricultural purposes, and which are not required for government use or reserved for other purposes by any other provision of law, shall be designated by the Secretary of the Department of Lands and Natural Resources on behalf of the Commonwealth government for homesteading purposes. Such areas may, in accordance with the provisions of this law, be allotted to qualified persons for the purpose of farming with

the right to acquire title upon the fulfillment of the conditions prescribed in this article.”

(b) 2 CMC § 4383 is hereby repealed and reenacted to read:

“§ 4383. Establishment of Area: Requirements for Use of Property.

(a) Subject to article XI, section 5 of the Commonwealth Constitution, the Secretary of the Department of Lands and Natural Resources shall determine and establish standards and requirements for the use, occupation, and development of the homestead tracts granted under this article consistent with its terms.

(b) Subject to the availability of public land for agricultural homesteading purposes, the maximum area of land allowable for each agricultural tract to be made available under this article, shall be one hectare.

(c) The Secretary of the Department of Lands and Natural Resources shall file a copy of each of the Secretary’s determinations under this section with the Commonwealth Recorder’s Office.”

Section 6. Severability. If any provision of this Act or the application of any such provision to any person or circumstance should be held invalid by a court of competent jurisdiction, the remainder of this Act or the application of its provisions to persons or circumstances other than those to which it is held invalid shall not be affected thereby.

Section 7. Savings Clause. This Act and any repealer contained therein shall not be construed as affecting any existing right acquired under contract or acquired under the statutes repealed or under any rule, regulation or order adopted under the statutes. Repealers contained in this Act shall not affect any proceeding instituted under or pursuant to prior law. The enactment of this Act shall not have the effect of terminating, or in any way modifying, any liability, civil or criminal, which shall already be in existence at the date this Act becomes effective.
