Nineteenth Legislature
of the
Commonwealth of the Northern Mariana Islands
IN THE HOUSE OF REPRESENTATIVES

Eleventh Day, Second Regular Session

December 21, 2015

H. B. No. 19-54, HD1

AN ACT

TO AUTHORIZE THE BUREAU OF ENVIRONMENTAL AND COASTAL QUALITY: DIVISION OF ENVIRONMENTAL QUALITY TO SET WELL WATER USAGE RATES FOR COMMERCIAL AND OTHER NON-GOVERNMENTAL GROUNDWATER WELLS WITHIN THE COMMONWEALTH OF THE NORTHERN MARIANAS ISLANDS; AND FOR OTHER PURPOSES.

Be it enacted by the Nineteenth Northern Marianas Commonwealth Legislature:

1 **Section 1. Findings and Purpose.** The Legislature finds that Public Law 6-12,
2 entitled the “Commonwealth Groundwater Management and Protection Act of 1988” was
3 enacted to protect and preserve the Commonwealth’s water resources. The statement of
4 policy set forth in Public Law 6-12 reads as follows:

5 “In consideration that the Commonwealth of the Northern Mariana Islands is almost
6 exclusively dependent upon groundwater for its water supply, it is hereby declared to be the
7 public policy of the Commonwealth of the Northern Mariana Islands and the purpose of this
8 [public law] to:

9 (a) Assert the rights of the people to groundwater resources for public benefit;

HOUSE BILL 19-54, HD1

1 (b) Assert that the general welfare requires that groundwater resources be put to the
2 highest beneficial use for which they are capable;

3 (c) Create permitting systems which regulate the withdrawal and use of groundwater
4 resources of the Commonwealth;

5 (d) Designate groundwater management zones; and

6 (e) Promote the long-term ability of the Commonwealth to provide reliable and
7 potable water to the public.”

8 Public Law 6-12 further set forth a statement of authority as follows:

9 “The groundwater resources of the Commonwealth belong to the public. No
10 diversion, withdrawal, storage, or use of such water shall occur except in the compliance with
11 this [public law] and with other laws of the Commonwealth.”

12 Public Law 6-12 restricts withdrawal and use of well water unless authorized by law. Water
13 resources are scarce and its usage must be controlled in order to provide water to future
14 generations to come. Accordingly, all users of groundwater must be regulated in order to
15 preserve and conserve our water resources. Whether ground water is pumped into a pipe or
16 into a water well, ground water should be metered and all users must pay a reasonable fee for
17 the use of such water. The purpose of this legislation is to authorize Division of
18 Environmental Quality to regulate and establish well water usage fees thus the intention of
19 monitoring and regulating the use of the Commonwealth’s groundwater resources is
20 reinforced.

21 **Section 2. Amendment.** Title 2, Division 3, Chapter 3 § 3324 of the
22 Commonwealth Code is amended by adding a new subsection (g) to read as follows:

23 “(g) The Bureau of Environmental and Coastal Quality is hereby authorized to
24 set well water usage rates for commercial and other non-governmental groundwater
25 wells.”

HOUSE BILL 19-54, HD1

1 **Section 3. Amendment.** Title 2, Division 3, Chapter 3 § 3333 of the
2 Commonwealth Code is amended to read as follows:

3 “§ 3333 Fees.

4 All fees, charges, and civil fines authorized and collected under this chapter
5 shall be paid to the Commonwealth Treasurer, provided that 50% of the fees collected
6 under this chapter shall be deposited into 2 CMC § 3135 (Division of Environmental
7 Quality Special Fund Account). Fees and charges shall be established so as to assure
8 full recovery of the costs of administration and monitoring for the program as a
9 whole.”

10 **Section 4. Severability.** If any provision of this Act or the application of any such
11 provision to any person or circumstance should be held invalid by a court of competent
12 jurisdiction, the remainder of this Act or the application of its provisions to persons or
13 circumstances other than those to which it is held invalid shall not be affected thereby.

14 **Section 5. Savings Clause.** This Act and any repealer contained herein shall not be
15 construed as affecting any existing right acquired under contract or acquired under statutes
16 repealed or under any rule, regulation, or order adopted under the statutes. Repealers
17 contained in this Act shall not affect any proceeding instituted under or pursuant to prior law.
18 The enactment of the Act shall not have the effect of terminating, or in any way modifying,
19 any liability, civil or criminal, which shall already be in existence on the date this Act
20 becomes effective.

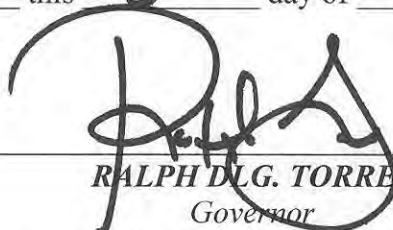

HOUSE BILL 19-54, HD1

1 **Section 6. Effective Date.** This Act shall take effect upon its approval by the
2 Governor or becoming law without such approval.
