S. B. NO. 20-03, SS1, HD1

### **AN ACT**

To amend 1 CMC §§ 2261(b) and 2262, to limit the public high school student representative to the Board of Education to one year and rotated appointment by public school; and for other purposes.

# BE IT ENACTED BY THE TWENTIETH NORTHERN MARIANAS COMMONWEALTH LEGISLATURE:

### Section 1. Findings and Purpose.

The Legislature finds that the current statutory provision under 1 CMC § 2261(b) provides the governor the authority to appoint a student attending a public high school to the Board of Education. The same provision also provides that the appointment of the public high school student representative shall be on a rotational basis by each respective public high school. And 1 CMC § 2262 provides that the student representative shall be appointed for period the student is enrolled in a public high school.

The Legislature finds it important to provide the opportunity to more public high school students, including the public high school students in the First Senatorial and Second Senatorial districts, to serve as student representative to the Board of Education.

The purpose of this Act is to provide a rotational basis by each respective public high school and to limit the term of the public high student to one year. In addition, the "exclusive bargaining process" for the teacher representative provided in 1 CMC § 2261(b) is removed to be consistent with Article XV, section 1(c), of the NMI Constitution.
